(a) Electorate Approval. In the event that the Electorate Approval is received, then, commencing with the Initial Repayment Date, and on each subsequent Rent Payment Due Date thereafter, the Lender shall cause the then due Rent owing to the Borrower, as lessor under the Lease, as such Rent may have been offset against by Tenant in accordance with and under the terms of the Lease (the "Adjusted Rent"), or a portion thereof, to be applied to and offset against the Outstanding Loan Amount plus interest accrued and unpaid through such

Repayment Date (the “Rent Offset”) and Borrower consents hereby to the Rent Offset; provided, that the Adjusted Rent shall first be applied to offset all interest accrued and unpaid, and then any remaining amount shall then be applied to offset all or a portion of the Outstanding Loan Amount; provided further that the Rent Offset on the Initial Repayment Date and each subsequent Repayment Date during the first Lease Year (as defined in the Lease) shall be 100% of the Adjusted Rent, and the Rent Offset on each Repayment Date during all subsequent Lease Years, shall be equal to the difference between the Adjusted Rent minus 50% of the then due Rent. Any Outstanding Loan Amount or accrued and unpaid interest that is offset by the Adjusted Rent shall be considered repaid by the Borrower pursuant to the terms hereof. It is the intention of the parties hereto that the Tenant be a third-party beneficiary of this Agreement.

(b) Failure to Receive Electorate Approval. In the event for any reason the Electorate Approval is not received, then, commencing with the Initial Repayment Date, and on the last Business Day of each month thereafter through the Maturity Date, the Borrower shall cause the Outstanding Loan Amount to be repaid in installments payable on each such Repayment Date (each such payment, an “Amortization Payment”), with the final installment in an amount equal to the entire Outstanding Loan Amount to be repaid on the Maturity Date. Each Amortization Payment shall be that amount of principal which will result in equal (as nearly as possible) aggregate Amortization Payments over the Repayment Period plus interest accrued and unpaid through such Repayment Date.

(iii) Final Repayment of Loans. In addition to any payment to be made on the Maturity Date pursuant to this Section 2.1(d), the Borrower shall also repay all other amounts due and owing under this Agreement, including, but not limited to any outstanding interest due under Section 2.2 hereof on the Maturity Date.==

(e) Mandatory Prepayment.

(i) Purchase Price Prepayment. Promptly after, and in no event more than one (1) Business Day after, the closing of the Purchase Agreement, the Borrower shall make, or direct the Buyer to make on the Borrower’s behalf, a prepayment of the Loans in an amount equal to 100% of the Purchase Price thereunder; provided, that the Purchase Price shall first be applied to prepay all interest accrued and unpaid as of the date of such prepayment, and then any remaining amount shall then be applied to prepay all or a portion of the Outstanding Loan Amount.

(ii) Termination or Expiration of the Lease. In the event that the Electorate Approval is received and the Lease is terminated or expires:

(A) due to a default of the Landlord or for any other reason other than a Default of the Tenant (in each case, as defined in the Lease) at any time during or after the Initial Term, then commencing with the last Business Day of the month on which the Lease is so terminated or expired and on the last Business Day of each month thereafter through the Outside Maturity Date (such period, the

“Outside Maturity Date Repayment Period”), the Borrower shall cause the Outstanding Loan Amount to be repaid in installments payable on each such Repayment Date (each such payment, an “Outside Maturity Date Amortization Payment”), with the final installment in an amount equal to the entire Outstanding Loan Amount to be repaid on the Outside Maturity Date. Each Outside Maturity Date Amortization Payment shall be that amount of principal which will result in equal (as nearly as possible) aggregate Outside Maturity Date Amortization Payments over the Outside Maturity Date Period plus interest accrued and unpaid through such Repayment Date; or

(B) due to any Default of the Tenant (as defined in the Lease) prior to the end of the Initial Term, then commencing with the last Business Day of the month on which the Lease is so terminated or expired and on the last Business Day of each month thereafter through the date that would have been the Maturity Date pursuant to clause (i) of the definition thereof (such period, the “Alternative Repayment Period”), the Borrower shall cause the Outstanding Loan Amount to be repaid in installments payable on each such Repayment Date (each such payment, an “Alternative Amortization Payment”), with the final installment in an amount equal to the entire Outstanding Loan Amount to be repaid on the Maturity Date. Each Alternative Amortization Payment shall be that amount of principal which will result in equal (as nearly as possible) aggregate Alternative Amortization Payments over the Alternative Repayment Period plus interest accrued and unpaid through such Repayment Date; or

(C) due to any Default of the Tenant after the Initial Term, Lender may by written notice to the Borrower, declare that the entire Outstanding Loan Amount plus accrued and unpaid interest to the date of acceleration are immediately due and payable, in which case such amounts shall become immediately due and payable.

(f) Increase in Loan Commitments.

(i) Borrower Request. During the Loan Commitment Availability Period, the Borrower may by written notice to Lender request one additional increase in the Loan Commitment (such increase, the “Additional Loan Commitment”), in an aggregate amount not to exceed \$1,500,000; provided that Lender is not required to commit to any such increase. Any Loans drawn under the Additional Loan Commitment shall in all respects be subject to the terms of this Agreement as if they were part of and drawn under the original Loan Commitment.

(ii) Conditions. The Additional Loan Commitment shall become effective upon (a) Lender’s acceptance of the Borrower’s request and (b) satisfaction of the following conditions (the date of such acceptance and satisfaction of the following conditions, the “Increase Effective Date”):

A. No Event of Default shall have occurred and be continuing.

B. Each of the representations and warranties herein and in each of the other Loan Documents shall be true and correct in all material respects on and as of the Increase Effective Date (except to the extent that such representations and warranties relate solely to an earlier date in which case such representations and warranties shall have been true, correct and complete in all material respects on and as of such earlier date; provided, that, if a representation and warranty is qualified as to materiality, with respect to such representation and warranty the materiality qualifier set forth above in this clause (B) shall be disregarded).

C. The proceeds of the Additional Loan Commitment shall be used in a manner not prohibited by this Agreement, including by Section 6.1 hereof, or by any other Loan Document, unless otherwise agreed to by Lender in its sole discretion.

D. Lender shall have received a certificate from a Responsible Officer of the Borrower to effect of clauses (A) through (C) above.

E. The Mortgage shall have been modified of record to reflect the addition of the Additional Loan Commitment in a manner in form and substance reasonably satisfactory to the Lender.

SECTION II.2. INTEREST/FEES.

(a) Interest. The Borrower agrees to pay interest on the unpaid principal amount of each Loan for the period commencing on the date of such Loan until such Loan is paid in full at a rate per annum equal to the Prime Rate minus 50 basis points, compounding annually; provided that at any time an Event of Default exists, if Lender so requests, the interest rate applicable to each Loan shall be increased by 2 percentage points.

(b) Computation and Payment. Interest shall be computed on the basis of a 365/366-day year, actual days elapsed. The applicable interest rate for each Loan shall change simultaneously with each change in the Prime Rate. Interest shall accrue for each Loan on the applicable Funding Date of each Loan, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, *provided* that any Loan that is repaid on the same day on which it is made shall bear interest for one day. Each determination by Lender of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error. Accrued interest on each Loan shall be payable on each Repayment Date, for interest accrued during since the immediately preceding Repayment Date; provided that the accrued interest payable on the Initial Repayment Date shall be interest accrued since the Effective Date.

(a) Borrower delivers a written notice (a "Property Release Notice") to Lender of its desire to effect such Property Release no later than thirty (30) days prior to the date of such desired Property Release, and setting forth the Business Day (the "Release Date") on which Borrower desires that Lender release its interest in such Release Property.

(b) Borrower shall submit to Lender, concurrently with the Property Release Notice (except that Borrower may deliver the release of Liens hereinafter described to Lender after delivery of the Property Release Notice so long as such delivery is made prior to the tenth (10th) Business Day preceding the applicable Release Date), a partial release of Mortgage for each applicable Release Property (for execution by Lender) in a form appropriate in the State of California and otherwise satisfactory to Lender in its reasonable discretion and all other documentation Lender reasonably requires to be delivered by Borrower in connection with such Property Release (collectively, "Release Instruments") for each applicable Release Property together with an certificate of a Responsible Officer of the Borrower certifying that (i) the Release Instruments are, or will be when delivered, in compliance with all legal requirements, (ii) the release to be effected will not violate the terms of this Agreement, (iii) the release to be effected will not impair or otherwise adversely affect the Liens, security interests and other rights of Lender under the Mortgage (or as to the Individual Properties subject to the Mortgage that are not being released) and (iv) the requirement described in paragraph (c) below is satisfied in connection with such Property Release (together with calculations and supporting documentation demonstrating the same in reasonable detail).

(d) On each of the date on which the Borrower delivers the Property Release Notice and on the Release Date, no event shall have occurred and be continuing which with notice and the passage of time constitutes or would constitute an Event of Default.

(e) Borrower executes and delivers such other instruments, certificates, opinions of counsel and documentation as Lender shall reasonably request in order to preserve, confirm or secure the Liens and security granted to Lender by the Loan Documents, including any amendments, modifications or supplements to any of the Loan Documents and partial release endorsements to the existing title insurance policy for the Mortgage, as applicable.

(f) Prior to the Release Date, Borrower shall deliver to Lender evidence reasonably satisfactory to Lender that all amounts owing to any parties in connection with the transaction relating to the proposed Property Release have been paid in full, or will simultaneously be paid in full on the Release Date or adequate reserves therefor are established by Borrower in cash with respect to contingent or other liabilities that may arise out of such transaction and for which Borrower is not adequately indemnified or insured against as reasonably determined by Lender.
