

Tulare Local Health Care District

Agenda Item

Board Meeting Date:

March 27, 2019

Title to Appear on Agenda:

Update and Discussion Re: TRMC/Contracts Status Related to the Bankruptcy

Brief Description:

(from Riley Walter, Bankruptcy Attorney for TLHCD) At the last board meeting there was some discussion of what had WIPFLI been doing on certain projects. I thought it might be helpful to see the listing of what Sandy Haskins and Teresa Jacques have been doing on sorting out treatment of the hundreds of contracts.

Background and Details:

This has been a monumental project and it seems to be nearing a conclusion. While more remains to be done, progress is being made.

I request these be provided to the entire board at the next meeting so the entire board and community know the status of the contracts.

Exhibits:

Here you have listings of:

- Contracts rejected
- Contracts removed from Exhibit A to the AH deal
- Contracts assumed
- Contracts assumed and assigned
- Contracts still requiring attention

Recommended Action: None
